Door Mitt

The Door Mitt attaches magnetically and keeps snow and ice off door handles and locks. It is a must-have for anyone who parks their vehicles outdoors in the cold winter months.

GREAT FOR
FLEET VEHICLES
AND TRUCKS!

Customer Testimonials

“Simple and works. The handle sticks out so you can grab it easy.”

— John Butler

“I always cringe when I go out to my car and the handle is stuck from the ice. I nearly broke my handle trying to crack it open last year, I’m excited about the Door Mitt.”

— Carly Fishburn

“These magnets work great! My husband accidentally left one on his truck while he drove around, and it stayed on the whole time!”

— Shannon Price
